PROSPECTUS

"Leaders who win the respect of others are the ones who deliver more than they promise, not the ones who promise more than they can deliver."

Mark Clement

FROM THE PRINCIPAL'S DESK

I affirm that education begins at birth and continues through life. The school's focus is to provide overall development and establishment of a child. It is not enough to make children literate and academically intelligent what is more important is to make them wise so that they are able to use intelligence conveniently. Nankana Sahib Public School stands for commitment. We try to provide best environment where students can learn in a positive environment. We give wings to imagination of the students and also prepare them to face the challenges of 21st century.

Our school is constantly working on a curricular and co-curricular activities to make individuals to face the challenges of life. Every child is like a seed which has a potential to grow if it is nourished with love and care under the right guidance. In the current challenging times it is imperative that children should develop discipline, courtesy, smart personality, social sensitivity and traditional values

Nankana Sahib Public School is a school where each and every student is understood, valued and attended also, year by year the efforts of all our staff and students have taken School forward to in terms of excellence. This collaborative efforts help in creating a global perspective for the students to succeed. The results of the school are always splendid because of hardship of students and faculty members that has provided better education.

I take this opportunity to thank all who has reposed faith in our school. The school always tries its best to maintain the highest quality of education and environment for learners.

"Education is the passport to future, for tomorrow ,belongs to those who prepare for it today."
